C.A.C. with a Central Credit Card account. Interest at the preferred rate accrues on each purchase from the transaction, but interest that accrues during the Promotional Term will be waived if during the Promotional Term the Minimum Payment is paid each month by the Payment Due Date and if the balance outstanding under the Promotional Offer is paid by the Promotional Due Date. The monthly payment on the purchase is calculated by applying a special repayment factor of 8.33% for the Twelve Month Term on the purchase amount. The Regular Rate of Interest is 29.9% per annum. An administrative fee of 4.9% of the total purchase is due at time of purchase. See store and cardholder agreement for additional details.
